South Dakota Stockgrowers Association invites you to join us for an exciting, ten-day trip across South America. We will fly to Santiago, Chile on October 12 and leave from Buenos Aires, Argentina, arriving back in the U.S.A. on October 22.

This trip was built exclusively for SD Stockgrowers members and promises to be fun, informative, and unforgettable. We'll spend our time visiting production agriculture operations across both Argentina and Chile, to see how they raise livestock and grow their crops, talk about the impacts of trade and animal health policies, and learn about the culture of farm and ranch communities half-a-world away.

Pricing for this fantastic and unique opportunity starts at just \$2690 and includes all hotel stays with breakfast each morning, at least 2 lunches and 3 evening meals, all activity and tour fees, professional bilingual tour guides, and all transportation except airfare to and from the USA. Airfare must be booked separately.

To book your trip today, contact Leslie at Dakota Travel by calling 605-341-0744. She'll reserve your place on the tour and help you arrange your air travel from anywhere in the U.S. A refundable deposit of \$500 is due before July 15.
